# Working from home

BRINGING PERKS FROM THE OFFICE,  
DIRECTLY TO YOUR DOOR...

We have created a range of new products that can be delivered direct to employees' homes - from monthly subscriptions for all staff to a special thank you gift, our account managers can work with you to create a bespoke solution for all occasions.

Employee recognition matters – especially when your employees work remotely. Along with improving employee loyalty, perks are a great way for your company to promote its values.

*Received this letterbox gift in the post yesterday. It was a lovely gesture from Nominet - made me feel part of the team even when working remotely!*
